

Herbal Aloe Body Care

Herbalife's Herbal Aloe range of personal-care formulas combines the soothing properties of whole-leaf aloe with selected herbal extracts to help your skin look and feel its best.

Herbal Aloe Everyday Body Wash is a gentle, rich-lathering liquid cleanser. It can be used on a sponge or loofah in the shower, or added to bath water for a delightfully soothing Herbal Aloe bath.

Herbal Aloe Everyday Soothing Gel is a fast-penetrating, non-sticky gel that lightly moisturizes and helps provide relief from skin irritations, minor abrasions, cuts and insect bites.

Herbal Aloe Everyday Soothing Spray is a perfect refreshing burst of aloe after shower or bath, or anytime. The spray-on form is also great for sun overexposure and minor skin irritations.

Herbal Aloe Everyday Soothing Hand & Body Lotion is a light, non-greasy formula that provides immediate relief for dry skin. Its quick-penetrating formula includes shea butter for deep nourishment, as well as calendula and chamomile to soothe and relieve chapped skin.

Herbal Aloe Everyday Soothing Cleansing Bars are formulated with glycerin, which acts as a humectant, helping hold moisture in the skin. A light herbal scent helps naturally deodorize the body.

Use the Herbal Aloe body-care line in conjunction with Herbal Aloe Everyday Shampoo and Conditioner. For aloe benefits on the inside of your body, be sure to use our Herbal Aloe Drink.
